2000 Pontiac Grand Am Stalls While Driving: 14 Complaints

I've seen my fair share of the post 2000 grand am's and they were very solid interior wise. Pre 2000 might have been something else(I believe 99 was the refresh). I agree with the use of quick struts, 5 bolts and basically a 5 minute change per strut when you have the wheels off the car. Wife's were leaking around the 60k mark.
