...

Timelines are one of those projects that families save and cherish forever! We've included, in this FREE activity, both the timeline template and the age labels (spanning from birth-age 15). I did something similar with my 8th grade class years ago- and despite their teenage angst, I know many of them enjoyed this activity.

...

8th grade science fair projects tend to involve the scientific method and designing an experiment and not making models or explaining processes. You'll be expected to present data in the form of tables and graphs. Typed reports and posters are the norm (sorry, no handwritten text). You should do the project yourself, rather than enlist heavy-duty help from a parent or older student.
