Black Ships Numinous World 1

Black Ships is a retelling of the Aeneid, told from the perspective of Gull, the daughter of a Trojan woman enslaved in the first sacking of the city, who grows up to become Pythia, the priestess/handmaiden for the Lady of the Death, aka Persephone. When black ships, lead by Aeneas after the second sack

Black Ships (Numinous World, #1) by Jo Graham

In the last shadowed days of the Age of Bronze, one woman dreams of the world beginning anew. This is her story. Just as Marion Zimmer Bradley's The Mists of Avalon breathed new life into Arthurian legend, BLACK SHIPS evokes the world of ancient Greece with beautiful, haunting prose, extraordinary imagination, and a profoundly moving story.

Black Ships is the epitome of a simple story, well-told. Graham has adroitly weaved the story of the Aeneid with "real" history, and used the crucial addition of a female voice to produce a great novel. It succeeds in capturing some of the poignant qualities of the epic that inspired it.

Reviews: Black Ships by Jo Graham | LibraryThing

Black Ships is a portrait of late Bronze Age heroism, the Aeneid retold at the most intimate level, a chronicle of epic events as witnessed by soldiers, seers and kings. Aeneas steps from the page a living man; the oracle Gull, Graham's protagonist, narrates with a woman's voice and a sibyl's wisdom.
