for that reason simple!

You can search Google

Books for any book or

topic. In this case, let's

go with "Alice in

Wonderland" since it's

a well-known book, and

Online Library By James Stewart

there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work.

However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related
