Under Dutch Caribbean rules of private international law, a claim arising from an unlawful act is governed, in the absence of a choice of jurisdiction by the parties, by the law of the country where the unlawful act was committed (*lex loci delicti*). However, this

Online Library Caribbean Private International Law

rule may possibly not apply if the tortfeasor and the injured party are both residing in a country other than that where the unlawful act was committed and if the legal effects occur entirely in the other country.

Pursuant to the private international law and private inter-regional law of the BES Islands, prospectus liability is considered as a species of wrongful act and therefore governed by the law of the country where the wrongful act has been committed (lex locus delicti). The same applies as has been said with regard to Curaçao and St.

Private International Law says... When a judgment is pronounced by a foreign Court over person(s) within its jurisdiction and in a matter which it is competent to deal, Courts never investigate the competent to deal,

Online Library Caribbean Private International Law

Courts never investigate the propriety of the proceedings in the Foreign Court, unless it was against views of substantial justice.

Barbados Jurisprudence - Stetson University

International law, also known as public international law and law of nations, is the set of rules, norms, and standards generally

Online Library Caribbean Private International Law

accepted in relations between nations. It establishes normative guidelines and a common conceptual framework to guide states across a broad range of domains, including war, diplomacy, trade, and human rights.
