The Political Handbook of the World by Tom Lansford provides timely, thorough, and accurate political information, with more in-depth coverage of current political controversies than any other reference guide. The updated 2020-2021 edition will continue to be the most authoritative source for finding complete facts and analysis on each country's governmental and political makeup. Compiling in one place more than 200 entries on countries and territories throughout the world, this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political system. The Political Handbook of the World 2020-2021 also provides names of key ambassadors and international memberships of each country, plus detailed profiles of more than 30 intergovernmental organizations and UN agencies. And this update will aim to include coverage of current events, issues, crises, and controversies from the course of the last two years.

Published since 1928, the Political Handbook of the World provides timely, thorough, and accurate political information with more in-depth coverage of current political controversies and political parties than any other reference guide. The updated 2016–2017 Edition continues this legacy as the most authoritative source for finding complete facts and analysis on each country's governmental and political makeup. Political science and international relations scholars have revised this edition, and made understanding complex foreign affairs and political situations easy and accessible. With more than 200 entries on countries and territories throughout the world, housed in one place, these volumes are renowned for their extensive coverage of all major and minor political parties and groups in each political system. They also provide names of key ambassadors and international memberships of each country, plus detailed profiles of more than 30 intergovernmental organizations and United Nations agencies. This comprehensive update will include coverage of current events, issues, crises, and controversies from the course of the last two years, including: The closely-watched U.S. presidential election The effect of the Brexit referendum and installment of a new British prime minister The extensive investigation and subsequent impeachment of Brazil's president The far-reaching impact of the "Panama Papers" scandal Changes in U.S.–Cuba diplomatic relations and the reopening of their embassies The unconstitutional declaration of Gambia as an Islamic State Sentiments about the migrant and refugee crisis across Europe and the influence on policy Also, the new "For Further Reference" feature included for every country entry directs readers to additional resources to continue their research.

An essential handbook for educating students in the 21st century, since its initial publication A Principal's Guide to Special Education has provided guidance to school administrators seeking to meet the needs of students with disabilities. The third edition of this invaluable reference, updated in collaboration with and endorsed by the National Association of Elementary School Principals and the National Association of Secondary School Principals and incorporating the perspectives of both teachers and principals, addresses such current issues as teacher accountability and evaluation, instructional leadership, collaborative teaching and learning communities, discipline procedures for students with disabilities, and responding to students' special education needs within a standards-based environment.

Meant to aid State & local emergency managers in their efforts to develop & maintain a viable all-hazard emergency operations plan. This guide clarifies the preparedness, response, & short-term recovery planning elements that warrant inclusion in emergency operations plans. It offers the best judgment & recommendations on how to deal with the entire planning process -- from forming a planning team to writing the plan. Specific topics of discussion include: preliminary considerations, the planning process, emergency operations plan format, basic plan content, functional annex content, hazard-unique planning, & linking Federal & State operations.

The Political Handbook of the World provides timely, thorough, and accurate political information, with more in-depth coverage of current political controversies than any other reference guide. The updated 2015 edition will continue to be the most authoritative source for finding complete facts and analysis on each country's governmental and political makeup. Compiling in one place more than 200 entries on countries and territories throughout the world, this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political system. It also provides names of key ambassadors and international memberships of each country, plus detailed profiles of more than 30 intergovernmental organizations and UN agencies. And this annual update includes coverage of current events, issues, crises, and controversies from the course of this year.
