Screams from the Balcony is a collection of letters chronicling Charles Bukowski's life as he tries to get published and work at a postal office, all while drinking and gambling.

Literary Criticism. Reach for the Sun is the third volume of Bukowski's letters from Black Sparrow Press, selected by Seamus Cooney.

A companion to *On Writing* and *On Cats*: A raw and tender poetry collection that captures the Dirty Old Man of American letters at his fiercest and most vulnerable, on a subject that hits home with all of us. Charles Bukowski was a man of intense emotions, someone an editor once called a “passionate madman.” In *On Love*, we see Bukowski reckoning with the complications and exaltations of love, lust, and desire. Alternating between tough and gentle, sensitive and gritty, Bukowski lays bare the myriad facets of love—its selfishness and its narcissism, its randomness, its mystery and its misery, and, ultimately, its true joyfulness, endurance, and redemptive power. Bukowski is brilliant on love—often amusing, sometimes playful, and fleetingly sweet. *On Love* offers deep insight into Bukowski the man

and the artist; whether writing about his daughter, his lover, his friends, or his work, he is piercingly honest and poignantly reflective, using love as a prism to see the world in all its beauty and cruelty, and his own fragile place in it. “My love is a hummingbird sitting that quiet moment on the bough,” he writes, “as the same cat crouches.” Brutally honest, flecked with humor and pathos, *On Love* reveals Bukowski at his most candid and affecting.

in this place there are the dead, the deadly and the dying. there is the cross, the builders of the cross and the burners of the cross. the pattern of my life forms like a cheap shadow on the wall before me. my love what is left of it now must crawl to wherever it can crawl. the strongest know that death is final and the happiest are those gifted with the shortest journey.

In the literary pantheon, Charles Bukowski remains a counterculture luminary. A hard-drinking wild man of literature and a stubborn outsider to the poetry world, he has struck a chord with generations of readers, writing raw, tough poetry about booze, work, and women in an authentic voice that is, like the work of the Beats, iconoclastic and even dangerous. Edited by his longtime publisher, John Martin, of Black Sparrow Press, and now in paperback, *The Continual Condition* includes more of this legend’s never-before-collected poems.

"Ultimate Outsider" Amazing letters filled with passionate, literary, and personal observation Insights into the author of Tales of Ordinary Madness, Notes of a Dirty Old Man, and Run with the Hunted Insights into Sheri Martinelli: the protege of Anais Nin, an accomplished painter, and the mistress of Ezra Pound Charels Bukowski's persona as the Dirty Old Man of American Literature is just that: a persona, a mask beneath which there was a man better read and more cultured than most people realize. Sheri Martinelli was one of the favored few for whom Bukowski dropped the mask and engaged in serious discussion of literature and art, and for that reason the discovery and publication of his letters to her give us a more complete picture of this complicated man.

South of No North is a collection of short stories written by Charles Bukowski that explore loneliness and struggles on the fringes of society.
