DT These highly successful revision guides have been brought right up-to-date for the new A Level specifications introduced in September 2000. DT Oxford Revision Guides are highly effective for both individual revision and classroom summary work. The unique visual format makes the key concepts and processes, and the links between them, easier to memorize. DT Students will save valuable revision time by using these notes instead of condensing their own. DT In fact, many students are choosing to buy their own copies so that they can colour code or highlight them as they might do with their own revision notes.

This work provides coverage of the new modular GCE Advanced Level business studies syllabuses as well as existing linear courses. It includes topics such as the economic environment, marketing, accounting and finance, and organisational behaviour.

Essential Business Studies features a thematic approach with a vibrant and accessible format to fully engage students. Activities and guidance on exam preparation, summary mindmaps and up-to-date, dynamic case studies are just some of the features helping to deliver the key course content. Whiteboard and Teacher Support CD-ROMs also available.

Helping to raise students, grades at AS/A Level

This revised set of resources for Cambridge International AS and A Level Business syllabus (9609) is thoroughly updated for the latest version of the curriculum. Written by experienced authors, the Coursebook provides comprehensive coverage of the syllabus. Accessible language combined with the clear, visually-stimulating layout makes this an ideal resource for the course. Questions and explanation of key terms reinforce knowledge; different kinds of activities build application, analytical and evaluation skills; and case studies contextualise the content making it relevant to international learners. It provides thorough examination support for all papers with exam-style questions with each chapter and an extensive Paper 3 style case study with each unit. The student CD-ROM contains revision aids, further questions and activities. A Teacher's CD-ROM is also available.

Covering each of the core curriculum areas in turn, this is a reference on school subject teaching. The authors assess the development of teaching within each subject area since the 1944 Education Act up to the year 2000. Future challenges are also explored.
