<http://alexilawless.com/>***Ready for a powerful, take-no-prisoners heroine? Then this action-packed series is for you . . . Luck is Jack Roman's middle name-- and Chicago is his Empire. He lives to work, loves to play, and makes no commitments. But when the mysterious Samantha Wyatt moves into the adjoining penthouse, he's immediately drawn to her, a striking, elusive woman who transitions seamlessly from wood-paneled board rooms to high-stakes, high-risk rescue operations in the most dangerous parts of the world. Intrigued by her self-possession, aroused by her incredible passion, and disarmed by a vulnerability she cannot hide, Jack pursues Samantha into the nexus of her dangerous present and her enigmatic past. When Samantha takes on the renowned war photographer Wesley Elliott as a client, Jack realizes the only woman he wants may be the one he cannot have...

COMPLICATED CREATURES is a mesmerizing, labyrinthine romantic suspense that will leave you wondering: Do you really want to know everything about the one you love? REVISED

EDITION: Includes editorial updates Note to the Reader:

Complicated Creatures is the first novel in a provocative series...

and it ends on a cliffhanger, be warned! Recommended for readers

18+ for mature content... Interview with the Author:Q: So, what

prompted you to write the Complicated Creatures series? A: It's

simple, really. I'm a huge fan of romance, romantic suspense and

action thrillers, and I felt there was something really missing in

combining these genres. I also wanted to write really powerful

female leads who, while impressive, are incredibly relatable, smart,

self-reliant and gutsy. Q: Who or what inspired the lead character, Samantha Wyatt? A: Honestly, I just took what I liked most about the male leads in some of my favorite stories and turned the whole thing on its head. I started thinking, "What if James Bond or Jack Reacher were a woman? What if she was the head of a multinational corporation? What if she led a team of commandos--what would that be like?" As I considered all the possibilities, Samantha became much clearer in my mind. I saw a woman with true grit, style and the kind of savvy we admire but rarely see in female characters in romance or action/thrillers. And it makes for an intriguing question--what kind of man can get a woman like that? And would she even let him? Q: Does your series have an intended audience? A: Sure. YOU. This series starts out as romantic suspense-driven, but it's definitely got plenty of action, thrills and a tantalizing bit of mystery. It's written from both a woman and a man's perspective, and features a really fantastic supporting cast of characters with their own unique points-of-view and personalities. Reviews have been coming in from both men and women. So I'd say anyone who loves Damn Good Fiction will enjoy this series. Q: When is the next installment coming out? A: Part Two: Hell or High Water is already out and available. The prequel to the series, Goddess Rising, should be available in about a month on Kindle Scout and the final installment for the series is targeted for Fall 2015. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

Reader, in this volume we compiled the most outstanding works of the famed writer Alexis de Tocqueville (1805-1859). A historian and statesman, de Tocqueville's foundational work, *Democracy in America* (1835, 1840) featured an educated, novel analysis of the state-political structure and spiritual life of the United States of America. The book uses a complex fusion of travel notes, research, philosophical essays, and journalism to describe the birth of the American Nation, which literally transformed before his eyes from a frontier on the "edge of civilization" to a New World power impacting European politics. His 1856 book, *The Old Regime and the Revolution*, examined the period of the French Revolution. In trying to flesh out its origins, de Tocqueville found that the old order that existed prior to the revolution had been all but forgotten. He had to delve into the archives and reconstruct the image of "old" France. Without a proper understanding of the interplay between the aristocrats and bourgeois, it was impossible to explain why the Revolution took place and why it played out as it did. His book not only shed light on the French revolution, it also created a new scientific method for studying the origins and character of a revolt. *Democracy in America* (Volume I and II) *American Institutions and Their Influence* *The Old Regime and the Revolution*

life. She's been married for 10 years to her high school sweetheart, Reggie Wilson. It seems she has the perfect life until her husband cheats and the marriage ends. Her best friends Sandra, Alicia and Trina keep her grounded as she tries to find happiness once again. She meets, the handsome Ricky Lawson, who renews her faith that there are still good men in the world. The control Alexis once had over her life is gone when something unexpected happens and she realizes her life will never be the same. Her entrepreneurial goals and dreams for the future are put on hold when the reality of life takes over. Reggie Wilson finds out the grass is not greener on the other side, instead it's risky and dangerous. A lesson that could make a man so desperate he would do anything to rid himself of his own self inflicted troubles. Sandra is a seasoned gold digger with a secret from her past that won't allow her to love any man. She believes men are only good for sex and money; she must find the strength to overcome her hurtful past which holds the key to heal her future. Alicia struggles with her buffet style lust for men and the dangers of her reckless choices. Trina searches for love through risky sexual escapades until she meets Rodney. She thinks she's found her soul mate until jealousy and insecurity destroys more than their relationship. As deep, dark, secrets come full circle and inner pain can no longer be hidden. The lustful behaviors and temptations lead to a devastating climax and all their lives are changed forever..... Right Here, Right Now.

Olympic athlete, actress, filmmaker, and writer Pappas shares what she's learned about confidence, self-reliance, mental health, embracing pain, and achieving her dreams in this revealing and inspiring memoir-in-essays.

Love is a dirty word and passion has no place in the world of high-profile litigation. Sparks fly when attorney Kathy Brooks agrees to represent novelist Charles Morgan, Jr. in a high-profile suit against a powerful government defense contractor. But when Charles'

hidden agenda threatens to expose the government's dirty little secrets, what started out as the case of a lifetime could cost Kathy her heart, her career and even her life. Charles doesn't just want to win the lawsuit. He wants to destroy the company responsible for his wife's death. His enemies, however, will stop at nothing to make the case go away - and that includes blackmail, kidnapping, and murder. As the body count rises and the stakes get higher, Charles and Kathy will have to decide just how much they're willing to sacrifice for the win. To get justice, they'll have to put it all out on the line - including each other - and it still might not be enough.

IN the sparsely populated northern Queensland town of Desperance, battle lines have been drawn in the disputes among the powerful Phantom family of the Westend Pricklebush, Joseph Midnight's renegade Eastend mob, and the white officials of neighboring towns. Trapped between politics and principle, past and present, the indigenous tribes fight to protect their natural resources, sacred sites, and, above all, their people. Steeped in myth and magical realism, Wright's hypnotic storytelling exposes the heartbreaking realities of Aboriginal life. Carpentaria teems with extraordinary, larger-than-life characters who transcend their circumstances and challenge assumptions about the downtrodden "other." The novel "bursts with life" (Daily Telegraph) as Alexis Wright re-creates the land and its people with mysticism, stark reality, and pointed imagination.

Something's out of control in the classroom! When Jake's teacher, Mr Hyde, turns into the naughty Creature at a soccer tournament, how on earth are he and his friends going to keep Mr. Hyde's secret? Chaos is bound to happen when Creature's around!
