Concealed carry, or carrying a concealed weapon (CCW), is the practice of carrying a weapon (such as a handgun) in public in a concealed manner, either on one's person or in close proximity. Not all weapons that fall under CCW laws are lethal. For example, in Florida, carrying pepper spray in more than a specified volume (2 oz.) of chemical requires a CCW permit, whereas everyone may legally ...

Concealed carry in the United States - Wikipedia

Furthermore, Czech Republic has a shall-issue concealed carry permit system, whereby every self-defense license holder may carry up to two concealed firearms ready for immediate use (bullet-in-chamber). The Czech Republic had a higher rate of concealed carry licenses per capita than the US up to 2010, despite a relatively lower gun-ownership rate.

You'll learn more about: How to choose the right handgun and ammunition Methods of carry and holster selection Considerations for women who carry concealed Important training guidelines Concealed carry laws

The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which went into effect in 1994. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those firearms, including, but not limited to, the safe handling and storage of those firearms. The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot deliver a firearm unless the person receiving the firearm presents a valid FSC, which is obtained by passing a written test on firearm safety. Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also successfully perform a safe handling demonstration with that firearm..

Concealed Carry and Home Defense Fundamentals is a comprehensive guide for anyone considering owning or carrying a firearm for self defense. The book is a complete guide to understanding conflict avoidance & situational awareness; handgun & shotgun basics; shooting fundamentals; the physiology of violent encounters; the legal aspects of using deadly force (including knowing what to do in the aftermath); and a complete guide on gear, gadgets, and ongoing training.

You arm yourself so you're hard to kill. Know the law so you're hard to convict. Let's face it, the world isn't always nice. That's why you take steps to protect yourself and your family. Whether it be that shotgun in the corner, the sidearm on your hip, or the pepper spray you gave your daughter, you meet that fundamental responsibility. But if you're like most people, your preparations still lack a critical element. You still need to know how to survive the critical fight that looms after any defensive encounter: the legal battle. The Law of Self Defense provides precisely that critical, missing knowledge. This book includes not just the laws of all fifty states, but how the courts apply those laws. It's a plain-talk analysis that makes the law easy to understand for anyone, not just lawyers. Bestselling author, Andrew F. Branca, is not only a lawyer and internationally recognized legal consultant, but also a life-long member of the gun community--more than 20 years as an NRA Life Member and Instructor, an IDPA Master-class competitor, and a 2nd Amendment absolutist. Learn how to make fast, effective decisions and confidently handle life-and-death situations both tactically and legally. Read This Book And Learn the Powerful Legal Truth That Can Save Your Life, Wealth And Personal Freedom

The "Traveler's guide" was inspired by the author's own need to have a concise, yet accurate, summation of state transport and carry laws to reference during his vacation travels across America. - Back cover.
