"A hilarious tale . . . hijinks worthy of classic I Love Lucy episodes . . . too good to pass up."—USA Today
Becky Bloomwood has a fabulous flat in London's trendiest neighborhood, a troupe of glamorous socialite friends, and a closet brimming with the season's must-haves. The only trouble is, she can't actually afford it—not any of it. Her job writing at Successful Saving magazine not only bores her to tears, it doesn't pay much at all. And lately Becky's been chased by dismal letters from the bank—letters with large red sums she can't bear to read. She tries cutting back. But none of her efforts succeeds. Her only consolation is to buy herself something . . . just a little something. Finally a story arises that Becky actually cares about, and her front-page article catalyzes a chain of events that will transform her life—and the lives of those around her—forever.

Kinsella has a light touch and puckish humor."—Kirkus Reviews

Financial journalist Rebecca Bloomwood seeks solace from the boredom and pressures in life with her shopping, a solution that brings her close to financial disaster, until she encounters a story that will change her life.

Life has been good to Becky Bloomwood: She's become the top personal shopper at Barneys and she's living happily with her boyfriend, Luke, in Manhattan's West Village. But with her best friend, Suze, engaged, how can Becky fail to notice that her own ring finger is bare? Not that she's been thinking about marriage (or diamonds) or anything. Then Luke proposes! Problem is, two other people are planning her wedding: Becky's overjoyed mother—who has been waiting forever to host a backyard wedding, with the bride resplendent in Mum's frilly old gown; and her high-society soon-to-be mother-in-law—who insists on a glamorous, all-expenses-paid affair at the Plaza. Both weddings, on separate continents, on the same day . . .

#1 New York Times bestselling author Sophie Kinsella returns with a festive new Shopaholic adventure filled with holiday cheer and unexpected gifts. "Funny, charming, and the perfect read to get into the holiday spirit."—PopSugar 'Tis the season for change and Becky Brandon (née Bloomwood) is embracing it, returning from the States to live in the charming village of Letherby and working with her best friend, Suze, in the gift shop of Suze's stately home. Life is good, especially now that Becky takes time every day for mindfulness—even if that only means listening to a meditation tape while hunting down online bargains. But Becky still adores the traditions of Christmas: Her parents hosting, carols playing on repeat, her mother pretending she made the Christmas pudding, and the neighbors coming 'round for sherry in their terrible holiday sweaters. Things are looking cheerier than ever, until Becky's parents announce they're moving to ultra-trendy Shoreditch—unable to resist the draw of craft beer and smashed avocados—and ask Becky if she'll host this year. What could possibly go wrong? Becky's sister demands a vegan turkey, her husband insists that he just wants aftershave (again), and little Minnie needs a very specific picnic hamper: Surely Becky can manage all this, as well as the surprise appearance of an old boyfriend-turned-rock star and his pushy new girlfriend, whose motives are far from clear. But as the countdown to Christmas begins and her bighearted plans take an unexpected turn toward disaster, Becky wonders if chaos will ensue, or if she'll manage to bring comfort and joy to Christmas after all. Praise for Christmas Shopaholic "Kinsella's popular heroine, Becky Bloomwood Brandon, is back for a delightful ode to shopping, in the engaging eighth Shopaholic novel, this time with a Christmas theme. . . . Becky is as whimsical and wonderful as ever. . . . Kinsella delivers a solid and laugh-out-loud funny installment that longtime readers and new fans alike will gleefully devour."—Publishers Weekly

In these four stand-alone novels, Kinsella's charming heroines juggle work life, love life—and sometimes, even the afterlife—to heartwarming and hilarious effect. This must-have eBook bundle includes: CAN YOU KEEP A SECRET? "Move over, Bridget [Jones]! . . . Kinsella's witty take on mundane office and family life will really make you laugh out loud."—Evening Chronicle (UK) Emma Corrigan has a huge heart, an irrepressible spirit, and a few little secrets. Secrets from her boyfriend, secrets from her mother . . . secrets she wouldn't share with anyone in the world. Until she spills them all to a handsome stranger on a plane, who, she later discovers, just so happens to be Jack Harper, her company's elusive CEO—a man who now knows every humiliating detail about her. THE UNDOMESTIC GODDESS "Another charming winner from the delightful Kinsella."—Booklist Samantha Sweeting, a workaholic attorney at a London law firm, has just made a huge, unthinkable mistake, wrecking her chance of becoming partner. Going into utter meltdown, she walks out of her office, boards a train, and ends up in the middle of nowhere. Asking for directions at a big, beautiful house, she's mistaken for an interviewee and is offered a job as their housekeeper. And as she figures out how to turn on the oven and how to open the #@%# ironing board, she finds that this new life may be exactly what she is looking for. REMEMBER ME? "A delicious page-turner."—USA Today When twenty-eight-year-old Lexi Smart wakes up in a London hospital, she's in for a big surprise. Having survived a car accident, Lexi has lost a big chunk of her memory—three years to be exact—and somehow she's gone from being a twenty-five-year-old working girl to being a corporate big shot with a sleek loft, a personal assistant, and a gorgeous husband. Will she ever remember how this all came to be? And what will happen when she does? TWENTIES GIRL "Kinsella [is] a master of comic pacing and feminine wit."—Publishers Weekly Lara Lington's imagination seems to be in overdrive. Normal twenty-something young women don't get visited by ghosts. Or do they? When the spirit of Lara's great-aunt Sadie mysteriously appears, she has one request: Lara must find a missing necklace that was in Sadie's possession for more than seventy-five years. And in their mission, these very different "twenties" girls learn some surprising truths from and about each other. But lately, Luke has been more restless than relaxed. In fact, he seems (unbelievably!) like he wants to go home. Will Becky be able to save their dream vacation, or will their globe-trotting come to a sudden halt? Praise for the Shopaholic
