Two new titles that provide comprehensive coverage of the syllabus. Units 1 and 2 of Biology for CAPE® Examinations provide a comprehensive coverage of the CAPE® Biology syllabus. Written by highly experienced, internationally bestselling authors Mary and Geoff Jones and CAPE® Biology teacher and examiner Myda Ramesar, both books are in full colour and written in an accessible style. This book brings together leading scholars of Caribbean education from around the world. Schooling continues to hold a special place both as a means to achieve social mobility and as a mechanism for supporting the economy of Caribbean nations. In this book, the Caribbean includes the Greater and Lesser Antilles. The Greater Antilles is made up of the five larger islands (and six countries) of the northern Caribbean, including the Cayman Islands, Cuba, Hispaniola (Haiti and the Dominican Republic), Puerto Rico, and Jamaica. The Lesser Antilles includes the Windward and Leeward Islands which are inclusive of Barbados, St. Vincent, Trinidad and Tobago along with several other islands. Each chapter provides a unique perspective on the various social and cultural issues that define Caribbean education and schooling. The Handbook on Caribbean Education fills a void in the literature and documents the important research being done throughout the Caribbean. Creating a space where Caribbean voices are a part of “international” discussions about 21st century global matters and concerns is an important contribution of this work.
