DEUTSCH HEUTE successfully develops the skills of introductory German students by maintaining a focus on listening, speaking, reading, and writing.

Manageable for two-semester courses, the 10th edition covers grammar in a logical sequence. Each chapter contains many function-based activities that focus on specific emotional expressions. Students are introduced to contemporary life and culture in German-speaking countries through a cast of recurring characters who appear in the "Bausteine für Gespräche" (dialogues) and some readings and exercises. This book offers an in-depth study of the overall syntax of (basilectal) Jamaican Creole, the first since Bailey (1966). The author, a Jamaican linguist, meticulously examines distributional and interpretative properties of functional morphology in Jamaican Creole (JC) from a cartographic perspective (Cinque 1999, 2002; Rizzi 1997, 2004), thus exploring to what extent the grammar of JC provides morphological manifestations of an articulate IP, CP and DP. The data considered in this work offers new evidence in favour of these enriched structural analyses, and the

instances where surface orders differ from the underlying functional skeleton are accounted for in terms of movement operations. This investigation of Jamaican syntax therefore allows us to conclude that the 'poor' inflectional morphology typical of Creole languages in general and of (basilectal) Jamaican Creole in particular does not correlate with poor structural architecture. Indeed the free morphemes discussed, as well as the word order considerations that indicate syntactic movement to designated projections, serve as arguments in favour of a rich underlying functional map.

The CEFR Companion volume broadens the scope of language education. It reflects academic and societal developments since the publication of the Common European Framework of Reference for Languages (CEFR) and updates the 2001 version. It owes much to the contributions of members of the language teaching profession across Europe and beyond. This volume contains: □ an explanation of the key aspects of the CEFR for teaching and learning; □ a complete set of updated CEFR descriptors that replaces the 2001 set with: - modality-inclusive and gender-neutral descriptors; - added detail on listening and reading; - a new Pre-A1 level, plus enriched description at A1 and C levels; - a replacement scale for phonological competence; - new scales for mediation, online interaction and

plurilingual/pluricultural competence; - new scales for sign language competence; □ a short report on the four-year development, validation and consultation processes. The CEFR Companion volume represents another step in a process of engagement with language education that has been pursued by the Council of Europe since 1971 and which seeks to: □ promote and support the learning and teaching of modern languages; □ enhance intercultural dialogue, and thus mutual understanding, social cohesion and democracy; □ protect linguistic and cultural diversity in Europe; and □ promote the right to quality education for all.

[The book] offers you the opportunity to learn the language spoken by millions of people in several European countries and around the world. Let's find out about the countries, the people, and the German
