Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Part of the Legend Classics series
As Gregor Samsa awoke one morning from uneasy dreams he found himself transformed in his bed into a gigantic insect. *The Metamorphosis* - the masterpiece of Franz Kafka - was first published in 1915 and is one of the seminal works of fiction of the twentieth century. The novel is cited as a key influence for many of today's leading authors; as Auden wrote: "Kafka is important to us because his predicament is the predicament of modern man".
Traveling salesman, Gregor Samsa, wakes to find himself transformed into a large, monstrous insect-like creature. The cause of Gregor's transformation is never revealed, and as he attempts to adjust to his new condition he becomes a burden to his parents and sister, who are repelled by the horrible, verminous creature Gregor has become. A harrowing, yet strangely comic, meditation on human feelings of inadequacy, guilt, and isolation, *The Metamorphosis* has taken its place as one of the most widely read and influential works of twentieth-century fiction.

This book offers an alternative, realistic and practical approach to help those in health and social care critically appraise what they read and what they see in the workplace.

High-quality original writing doesn't happen by accident; it results from a logical, inquiry-based process. Educators will be able to apply the concepts and techniques in this book to help their students master the critical writing process.

- Presents information about one school district's application of—and results from—authors Carroll and Wilson's inquiry-based critical writing schemata throughout the year
- Combines accessible explanations of pedagogical theory with practical guidance on how to teach the writing process along with the inquiry process
- Offers information directly related to helping students achieve standards

In "The Critic as Artist," Oscar Wilde declares that the critic's artistic capabilities are as important as those of the artist. Wilde's passionate defense of the aesthetics of art criticism is among the wide-ranging and thought-provoking essays of this original collection, in which noted writers discuss the role of criticism in English and American literature. Contents include Edgar Allan Poe's "The Philosophy of Composition," in which the author draws upon his most famous poem, "The Raven," to illustrate his theories on writing; Matthew Arnold's "The Study of Poetry"; and commentaries on Shakespeare's plays by Samuel Johnson and Wordsworth's poetry by William Hazlitt. Walter Pater, whose work was highly influential on the writers of the Aesthetic Movement, is represented by an essay on style. Other selections include Mark Twain's satirical "Fenimore Cooper's Literary Offences" and the "Preface to Leaves of Grass" by Walt Whitman. Brief introductory notes accompany each essay.
