The Rough Guide to Greek Islands is the ultimate travel guide with clear maps and detailed coverage of the Greek Islands' best attractions. Discover the vibrant Greek Islands from the historic mass of Crete and barely inhabited islets to Athens' sea-set suburbs and lively nightlife. Our detailed Greek Islands maps help you find stunning temples, frescosed chapels and hidden coves, with detailed listings of the liveliest bars and atmospheric accommodation the Greek Islands have to offer. New full-colour features explore the Greek Island's highlights, including the best Greek Island beaches and the Greek Island's finest cuisine. Find detailed practical advice on local products, sections exploring history, music, archaeology and wildlife, combined with information on living in Greece, navigating your way around the Greek Island's extensive ferry network and comprehensive coverage of the Greek Islands' glittering festivals. Make the most of your holiday with The Rough Guide to Greek Islands.

1.5L petrol engines, including EFI.

A funny, touching, endearing romp towards happiness by one of New Zealand's best-loved writers. 'In 1997

I wrote my first book about always being on a diet but never being thin. I wanted to call it Screw You Dolores after an anecdote that I felt summed up the attitude I wanted to promote, but my publisher at the time said it was too rude; that little old ladies might be too embarrassed to ask for it or booksellers might want to hide it in brown paper bags. 'In 2013 I wrote my twelfth book and called it Screw You, Dolores. It's about knowing when to do what someone tells you to do, and knowing when to tell them to stick it up their jacksie.' This first book in Sarah-Kate Lynch's Wicked Approach To ... series tackles the subject of happiness, and how and where to find it - especially when you hit that milestone birthday of 50. Just like its author, it's sharp, full of attitude, funny and sassy. Buy it for yourself or for a friend for a good giggle. And buy it because, as she explores how to make herself happy by ignoring the expectations of others, Sarah-Kate Lynch finds great wisdom too.

Nissan: Patrol Series GQ, 3.0 & 4.2 petrol & 4.2 diesel. Ford: Maverick Series DA. Petrol & diesel models. Does NOT cover UK Ford. Maverick. or Nissan Terrano.

Introduction to Business covers the scope and sequence of most introductory business courses. The book provides detailed explanations in the context of core themes such as customer satisfaction, ethics, entrepreneurship, global business, and managing change. Introduction to Business includes hundreds of current business examples from a range of industries and geographic locations, which feature a variety of individuals. The outcome is a balanced approach to the theory and application of business concepts, with attention to the knowledge and skills necessary for student success in this course and beyond.

A memoir by the mustachioed baseball pitcher who went playing rocky, trash-ridden fields in Castro's Cuba to becoming a Boston Red Sox legend. Luis Tiant is one of the most charismatic and accomplished players in Boston Red Sox and Major League Baseball history. With a barrel-chested physique and a Fu Manchu mustache, Tiant may not have looked like the lean, sculpted aces he usually played against, but nobody was a tougher competitor on the diamond, and few were as successful. There may be no more qualified twentieth-century pitcher not yet enshrined in the National Baseball Hall of Fame. His big-league dreams came at a price: racism in the Deep South and the Boston suburbs, and nearly fifteen years separated from a family held captive in Castro's Cuba. But baseball also delivered World Series stardom and a heroic return to his island home after close to a half-century of forced exile. The man whose name—"El Tiante" —became a Fenway Park battle cry has never fully shared his tale in his own words, until now. In Son of Havana, Tiant puts his heart on his sleeve and describes his road from torn-up fields in Havana to the pristine lawns of major league ballparks. Readers will share Tiant's pride when appeals by a pair of US senators to baseball-fanatic Castro secure freedom for Luis's parents to fly to Boston and witness the 1975 World Series glory of their child. And readers will join the big-league ballplayers for their spring 2016 exhibition game in Havana, when Tiant—a living link to the earliest, scariest days of the Castro regime—threw out the first pitch.
