Jude Fawley is a rural stone mason with intellectual aspirations. Frustrated by poverty and the indifference of the academic institutions at the University of Christminster, his only chance of fulfilment seems to lie in his relationship with his unconventional cousin, Sue Bridehead.

Jude the Obscure is a novel by Thomas Hardy, which began as a magazine serial in December 1894 and was first published in book form in 1895. It is Hardy's last completed novel. Its protagonist, Jude Fawley, is a working-class young man, a stonemason, who dreams of becoming a scholar. The other main character is his cousin, Sue Bridehead, who is also his central love interest. The novel is concerned in particular with issues of class, education, religion, morality and marriage.

Part First AT MARYGREEN
“Yea, many there be that have run out of their wits for women, and become servants for their sakes. Many also have perished, have erred, and sinned, for women... O ye men, how can it be but women should be strong, seeing they do thus?”—Esdras.
I The schoolmaster was leaving the village, and everybody seemed sorry. The miller at Cresscombe lent him the small white tilted cart and horse to carry his goods to the city of his destination, about twenty miles off, such a vehicle proving of quite sufficient size for the departing teacher’s effects. For the schoolhouse had been partly furnished by the managers, and the only cumbersome article possessed by the master, in addition to the packing-case of books, was a cottage piano that he had bought at an auction during the year in which he thought of learning instrumental music. But the enthusiasm having waned he had never acquired any skill in playing, and the purchased article had been a perpetual trouble to him ever since in moving house. The rector had gone away for the day, being a man who disliked the sight of changes. He did not mean to return till the evening, when the new school-teacher would have arrived and settled in, and everything would be smooth again. The blacksmith, the farm bailiff, and the schoolmaster himself were standing in perplexed attitudes in the parlour before the instrument. The master had remarked that even if he got it into the cart he should not know what to do with it on his arrival at Christminster, the city he was bound for, since he was only going into temporary lodgings just at first.

This Third Norton Critical Edition of Hardy’s final novel has been revised to reflect the breadth of responses it has received over the last fifteen years. The text of the novel is again based on Hardy’s final revision for the 1912 *Wessex* Edition.

Jude the Obscure: Study Guide | SparkNotes

'Jude the Obscure' is analysed employing up-to-date developments in gender, feminist and cultural studies. Sue Bridehead is reinstated as central to the novel, and to Hardy's bitter, polemical attack on the institutions of marriage, religion, education, sexuality, identity, gender and politics.

Seminar paper from the year 2009 in the subject English - Literature, Works, grade: 12, University of Marburg, course: The Pre-Modern Novel: Hardy and Conrad, language: English, abstract: Two completely different women, Susanna Bridehead and Arabella Donn, share the same man in Thomas Hardy ' s Jude the Obscure. Jude ' s cousin Sue is a " pretty, liquid-eyed, light-footed young woman " . Her mind, her education, her unconventional beliefs and especially her insistence on these beliefs impress Jude. His affection to Arabella Donn is quite different. She whom he addressed was a fine dark-eyed girl, not exactly handsome, but capable of passing as such at a little distance, despite some coarseness of skin and fibre. She had a round and prominent bosom, full lips, perfect teeth, and the rich complexion of a Cochin hen’s egg. She was a complete and substantial female animal -- no more, no less. Of course, Sue and Arabella are not just contrasting in their appearance but they have oppositional ideas, beliefs and attitudes towards life. Therefore, they lead their lives under different circumstances and get different social recognition. By this example, Hardy criticizes the rigidity of certain conventions in the Victorian Age. In the following I will analyse various aspects which demonstrate the differences between the two characters, namely the two women ' s relation to Jude and their attitude towards sexuality, marriage, motherhood, religion and education.
