JACLYN DOLAMORE is the author of Magic Under Glass and Between the Sea and Sky. She spent her childhood reading as many books as she could lug home from the library and playing elaborate pretend games with her sister. She has a passion for history, thrift stores, vintage dresses, David Bowie, drawing, and organic food. www.jaclyndolamore.com

A wealthy sorcerer's invitation to sing with his automaton leads seventeen-year-old Nimira, whose family's disgrace brought her from a palace to poverty, into political intrigue, enchantments, and a friendship with a fairy prince who needs her help.

A sequel to Magic Under Glass finds Nimira unsuccessfully searching for missing sorcerer Ordorio Valdana and secretly reading his spell books, which warn her of grave consequences if she frees Erris' soul from its clockwork form.

Sixteen-year-old Thea Holder's mother is cursed with a spell that's driving her mad, and whenever they touch, Thea is chilled by the magic, too. With no one else to contribute, Thea must make a living for both of them in a sinister city, where danger lurks and greed rules. Thea spends her nights waitressing at the decadent Telephone Club attending to the glitzy clientele. But when her best friend, Nan, vanishes, Thea is compelled to find her. She meets Freddy, a young, magnetic patron at the club, and he agrees to help her uncover the city's secrets—even while he hides secrets of his own. Together, they find a whole new side of the city. Unrest is brewing behind closed doors as whispers of a gruesome magic spread. And if they're not careful, the heartless masterminds behind the growing disappearances will be after them, too. Perfect for fans of Cassandra Clare, this is a chilling thriller with a touch of magic where the dead don't always seem to stay that way.

'Perfect for fans of Lemony Snicket' - a Book of the Year in the i News 'A whirligig of adventure' - The Telegraph _____ Bronte Mettlestone is ten years old when her parents are killed by pirates. This does not bother her much: her parents ran away to have adventures when she was a baby. She has been raised by her Aunt Isabelle, with assistance from the Butler, and has spent a pleasant childhood of afternoon teas and riding lessons. Now, however, her parents have left detailed instructions for Bronte in their will. (Instructions that, annoyingly, have been reinforced with faery cross-stitch, which means that if she doesn't complete them, terrible things could happen) She must travel the kingdoms alone, delivering gifts to ten other aunts: a farmer aunt who owns an orange orchard, a veterinarian aunt who specializes in dragon care, a pair of aunts who captain a cruise ship, and a former rock star aunt who is now the reigning monarch of a small kingdom. But as she travels from aunt to aunt, Bronte suspects there might be more to this journey than the simple delivery of treasure; though little does she suspect that she will have to play such a big part in the extraordinary events that follow.

Born of wood, cloth, and a substantial dose of magic, Velsa is a Fanarlem, a beautiful artificial girl. Raised to be a concubine, she has seen her friends at the House of Perfumed Ribbons sold off to be the pets of wealthy men. Now her own dreaded day has come. Grau Thanneau is a kind and handsome sorcerer who expects to own a spectacular piece of spellwork—he doesn't realize that everything he has been told about Fanarlem is a lie. Velsa is not a dull-witted doll, but an intelligent and luminous soul who captivates his heart. Neither of them expected to fall in love, in a land where the law will never recognize her as his equal... When Grau brings Velsa with him as he serves in the border patrol, they encounter odd magic sent from the High Sorcerer's palace--or is it magic at all? War is brewing, and with it, the winds of opportunity. Velsa has powers of her own, powers no Fanarlem girl should have, but when the enemy attacks, she might be the only one who can stand against them. **This novel contains scenes of adult intimacy**

In a world where magic and technology have merged, those who control Runes control everything.

An artificial girl...and the sorcerer who loved her.Velsa is Grau's wife and a free woman--thanks to a lie. And the High Sorcerer's Palace is no place for keeping a secret, with its bustling social life of parties and balls. The beautiful princess with coveted magic, the doll girl heiress, the Peacock General and the blood-sucking gentleman from another realm--are they friends or enemies? Velsa is torn between her old role as a concubine and her place in a strange new world. When she takes in a young telepathic slave, she is inadvertently led to a dark secret...and a danger that might tear her and Grau apart forever...**This novel contains scenes of adult intimacy**

Captain Kellan Flynn is cursed. All men fear him, and even more so, they fear what the myths make him out to be. The demon of the sea who sails with no mercy and who won't hesitate to slit a man's throat if challenged. But there is more to him, and the curse upon him will someday consume him whole. Unless he finds the key to breaking it.Fletcher has always dreamed of adventure, of sailing the high seas. But he's never even left his town of Helmfirth. He spends his days atop his favorite hill overlooking the sea and strumming his lute, wishing for another life. He spends his nights working in the tavern, listening to sailors weave tales of adventure he yearns to experience for himself. That is, until pirates make port and enter the tavern one night.After being press-ganged to join the crew, Fletcher is both afraid and intrigued by what awaits him aboard the Crimson Night. And it is aboard this legendary ship that he finds something he never expected to find: a pirate captain who awakes desires he's never felt.Captain Flynn is captivated by the auburn haired beauty, but he doesn't want his wickedness to taint someone as innocent and pure as Fletcher. Fletcher knows the captain is dangerous, and yet he can't stay away.Life on the sea puts every man to the test, and with time running out, sacrifices have to be made. Can two men who are so different ever find their happily ever after?

Esmerine, a mermaid, grows close to her childhood playmate Alander, a winged man, when they join forces to find her sister Dosia, who has reportedly eloped with a human despite the sisters' vow to always keep the sea and its people first in their hearts.
