In this new novel from Greg Howard, an enterprising boy starts his own junior talent agency and signs a thirteen-year-old aspiring drag queen as his first client. Now in paperback. Twelve-year-old Mikey Pruitt is a budding entrepreneur. Inspired by his grandfather Pap Pruitt, who successfully ran all sorts of businesses, Mikey is still looking for his million-dollar idea. Unfortunately, most of his ideas--from a roadside general store to croquet lessons--haven't taken off. It isn't until kid drag queen Coco Caliente, Mistress of Madness and Mayhem (aka eighth grader Julian Vasquez) walks into his office (aka his family's storage/laundry room) looking for a talent agent that Mikey thinks he's finally found a business that will put him on the map, and the Anything Talent and Pizzazz Agency is born! Soon, Mikey has a whole roster of kid clients looking to hit it big or at least win the middle school talent show's hundred-dollar prize. As newly out Mikey prepares Julian for the gig of a lifetime, he realizes there's no rulebook for being gay--and if Julian can be openly gay at school, maybe Mikey can, too, and tell his crush, the dreamy Colton Sanford, how he feels. Full of laughs, sass, and hijinks, this hilarious, heartfelt story shows that with a little effort and a lot of love, anything is possible.

The fun and easy way® to understand the basic concepts and problems of pre-algebra Whether you're a student preparing to take algebra or a parent who needs a handy reference to help kids study, this easy-to-understand guide has the tools you need to get in gear. From exponents, square roots, and absolute value to fractions, decimals, and percents, you'll build the skills needed to tackle more advanced topics, such as order of operations, variables, and algebraic equations. Open the book and find: How to find the greatest common factor and least common multiple Tips for adding, subtracting, dividing, and multiplying fractions How to change decimals to fractions (and vice versa) Hints for solving word problems Different ways to solve for x

In 2009 Elspeth Muir’s youngest brother, Alexander, finished his last university exam and went out with some mates on the town. Later that night he wandered to the Story Bridge. He put his phone, wallet, T-shirt and thongs on the walkway, climbed over the railing, and jumped thirty metres into the Brisbane River below. Three days passed before police divers pulled his body out of the water. When Alexander had drowned, his blood-alcohol reading was almost five times the legal limit for driving. Why do some of us drink so much, and what happens when we do? Fewer young Australians are drinking heavily, but the rates of alcohol

abuse and associated problems—from blackouts to sexual assaults and one-punch killings—are undiminished. Intimate and beautifully told, *Wasted* illuminates the sorrows, and the joys, of drinking. Elspeth Muir is a Brisbane author whose writing has appeared in the *Lifted Brow*, *The Best of the Lifted Brow: Volume One*, *Griffith Review*, *Voiceworks* and *Bumf*. She is a postgraduate student at the University of Queensland. ‘Deeply personal and unflinchingly honest, Muir’s debut book is among the best long-form explorations of how and why some Australians drink alcohol to excess...It is a striking work and among the strongest debut books I have read.’ Australian ‘Intricately crafted...An intimate portrait of a grieving family and a nation unable to reconcile itself to the harmful effects of its drinking culture...Reminiscent of writers such as Chloe Hooper and Helen Garner...This book will help you think critically and compassionately about those who seek solace in alcohol.’ Books + Publishing ‘Wasted barrels headfirst into the alcohol-soaked heart of Australia to report on our fraught love affair with drinking.’ Liam Pieper ‘There is no lapse in urgency in *Wasted*; this conversation is a crucial one to have. Five stars.’ Good Reading ‘The prose style of this unheralded writer...is so achingly beautiful and assured, Helen Garner might be pleased to hand her the keys to the creative nonfiction kingdom and ride off into the Carlton sunset.’ Saturday Paper ‘[Muir] gifts readers gorgeously evocative passages which convey a depth of emotion...*Wasted* is a haunting read.’ Readings ‘Elspeth writes beautifully and honestly, documenting the shocking loss...in such heartbreaking circumstances.’ Mamamia ‘[Muir] concludes of her brother’s death, “What a waste of a life that was.” Yet by determinedly documenting the drinking culture that coddled him, she has opened vital new lines of enquiry into our duty of care towards drinkers. It’s a tragedy, but now, not entirely a waste.’ *Lifted Brow* ‘Interweaving brilliant reportage with memoir, *Wasted* delves into Australia’s complicated relationship with alcohol...Timely and eye-opening.’ Canberra Weekly ‘The strongest new Australian voice I’ve come across this year.’ Readings, Our Favourite Books of 2016 (so far) ‘*Wasted* is a book that every New Zealander and Australian needs to read...If I had my way, I’d give this to everyone in their last year of high school, and their parents too.’ Booksellers New Zealand ‘Elspeth Muir’s memoir begins after her younger brother’s night of heavy drinking culminates with him jumping from a bridge and drowning in the Brisbane River. Her handling of the subject is, by turn, heartbreaking, evocative and, in parts, refreshingly weird, and her assured voice makes this a sobering read.’ Best Non-Fiction Books of 2016, Readings ‘This devastating personal story of loss and grief is also an unflinching examination of the damaging drinking habits of young Australians, and of a society that not only permits, but encourages them.’ Junkee
