Newly revised in line with the latest syllabus and with a modernised, student-friendly design, including a truly interactive CD which provides additional practice for students and brings lab work to life with exciting activities and simulations.

Develop your grade 7 students sentence editing, punctuation, grammar, vocabulary, word study, and reference skills using 180 focused 10- to 15-minute daily activities.

Specifically designed for California students and teachers. The California Mathematics Content Standards are unpacked, taught, and then reinforced throughout our program so that teachers can plan, diagnose, teach, assess, and intervene with the standards in mind.

Complementing the Complete English as a Second Language series, this Writing and Grammar Practice Book fully supports the new Cambridge IGCSE syllabus, for first examination in 2019. Targeted revision of key writing and grammar skills, with plenty of practice opportunities in the write-inactivity book, ensures all learners reach their full potential at IGCSE assessment.

The greatest strength of this thoroughly revised and expanded edition of Lectures on International Trade is its rigorous algebraic and geometric treatment of the various models and results of trade theory. The authors, who now include Arvind Panagariya, offer both policy insights and empirical applications. They have added nine entirely new chapters as well as new sections to several existing chapters (e.g., a greatly expanded treatment of the growing theory of preferential trade agreements).

A new aid to learning Jazz Improvisation from the ground up in an easy to follow and easy to learn method. Plenty of exercises and jazz etudes.
