In 1962, a 16-year-old boy is dropped off by his father at a boarding school on the windswept coast of East Anglia. It is a model of its kind—the rooms are freezing, the food is disgusting, the older boys are sadistic, and the masters are the ineffectual, damaged castoffs of a dying Empire. But the boy is used to the drill and well practiced at detached dreaming, imagining himself someone else, somewhere else. Until one day, falling behind one of the regular runs along the coast, he meets Finn. Finn seems like a character from a novel, or a dream. Dressed in clothes that look the way they did a century before, Finn lives alone with his cat in a tiny fisherman ' s hut. The two become friends, the boy risking scandalous rumour and expulsion from school. But the idyll cannot last, disaster invades from all sides, and the boy discovers that nothing has been what he believed. What I Was will cement Meg Rosoff ' s reputation as a writer of extraordinary skill and sensitivity, who recreates with uncanny exactness the passions of youth.

He doesn ' t remember life being this confusing, back before everyone expected him to act like a grown-up. When his brother asks him to look after his dogs, Jonathan's world view begins to shift. Could a border collie and a cocker spaniel hold the key to life, the universe, and everything? Their sly maneuvering on daily walks and visits to the alluring vet suggest that human emotional intelligence may not be top dog after all. Her aunt goes away on business soon after Daisy arrives. The next day bombs go off as London is attacked and occupied by an unnamed enemy. As power fails, and systems fail, the farm becomes more isolated. Despite the war, it ' s a kind of Eden, with no adults in charge and no rules, a place where Daisy ' s uncanny bond with her cousins grows into something rare and extraordinary. But the war is everywhere, and Daisy and her cousins must lead each other into a world that is unknown in the scariest, most elemental way. A riveting and astonishing story.

She takes the only thing that truly belongs to her: Jack, a white horse. The road ahead is rich with longing, silence and secrets, and each encounter leads her closer to the untold story of her past. Then Pell meets a hunter, infuriating, mysterious and cold. Will he help her to find what she seeks? From National Book Award Finalist Meg Rosoff comes a lyrical, compulsively readable coming-of-age tale that is heady, irresistible, and timeless. Everyone talks about falling in love like it's the most miraculous, life-changing thing in the world. Something happens, they say, and you know . . . I looked into his eyes and I knew. Only, everyone else knew too. Everyone else felt exactly the same way. This is the story of one family during one dreamy summer—the summer when everything changes. In an eccentric, turreted vacation house by the sea, our watchful narrator sees everything, including many things that shouldn ' t be seen, while brothers and sisters, parents and theatrical older cousins fill the hot days with wine and tennis and sailing and planning a wedding. Enter two brothers, the sons of a fading film actress—irresistibly charming, languidly sexy Kit and surly, silent Hugo. Suddenly there ' s a serpent in this paradise, and the consequences will be devastating. In a propulsive narrative carrying intrigue and a growing sense of unease, Meg Rosoff, best-selling author of the iconic How I Live Now, offers a summer tale of innocence lost that will find its place among the classics of young adult literature.
