Collared and controlled, Shifters are outcast from humanity, forced to live in Shifertowns. But waiting within are passions that no collar can contain... Like most Shifters, Liam Morrissey has learned that trusting humans leads to no good. But when beautiful attorney Kim Fraser enters Shifertown alone in order to prove her client's innocence, Liam's alpha nature leaves him no choice but to offer his protection.

In October 1934, the Chinese Communist Army found itself facing annihilation, surrounded by hundreds of thousands of Nationalist soldiers. Rather than surrender, 86,000 Communists embarked on an epic flight to safety. Only thirty were women. Their trek would eventually cover 4,000 miles over 370 days. Under enemy fire they crossed highland awamps, climbed Tibetan peaks, scrambled over chain bridges, and trudged through the sands of the western deserts. Fewer than 10,000 of them would survive, but remarkably all of the women would live to tell the tale. Unbound is an amazing story of love, friendship, and survival written by a new master of adventure narrative.

When DA Kim Fraser enters the lair of shifter Liam Morrissey to get answers for a client accused of murder, she finds herself unable to resist her attraction to this dangerous creature who is the only one who can save her from a feral shifter bent on her destruction. Reprint.

Spike, a wildcat Shifter and the champion fighter of Shifertown, is stunned when Myka, the best friend of a dying human woman, announces that Spike has fathered a cub. What's more, the mother is giving the boy to Spike to protect and raise. Myka, who'd been raised by an abusive stepfather, is not sure that a wild fighter named Spike is the best man to bring up the cute little jaguar cub. She goes to Shifertown to check out Spike, and finds that the man behind the name is a lonely Shifter who's lost most of his family and is a fierce caretaker to those he has left. Spike is torn between the cub and his duties as tracker to the Shifertown leader and asks Myka, the only person who understands, to help him. He starts to like the sassy Myka, a horse trainer who's not afraid of working with animals, even if they're wildcats who turn into humans. When Spike's job puts his cub and Myka in danger, he is forced to choose between those to whom he's pledged his loyalty and his need to protect the woman and cub he's come to love. Book 3.5 of Shifters Unbound (Austin Shifters)

Primal desire sets the New York Times bestselling Shifters Unbound series ablaze as two fierce Shifters discover how enticing love can be with the thrill of the chase... You can't outrun a hunter like Angus Murray... The last thing black wolf Shifter Angus Murray wants is to go chasing down some fugitive Shifter woman for Shifter Bureau. But when a Bureau agent threatens Angus's son, Angus will do anything it takes to track down the elusive Shifter and protect his cub. ...You outfox him... For twenty years Tasmin Calloway has been on the run, relying on her street smarts and easy charm to sweet-talk her way out of trouble. She knows she should put as much distance as possible between herself and the hot-bodied Angus. But she also longs to let down her guard, to experience a true connection with another person. Yet, with tenuous trust comes a companionship she never expected. And as the fragile link between them turns to something more, Tamsin will have to

break all her own rules and believe Angus will keep her secrets--and her heart--safe.

Together but unbound, they must learn what it means to love completely, in the latest novel from the New York Times bestselling author of *Wild Wolf*. To cement the leadership of his North Carolina Shifertown, Bowman O'Donnell agreed to a "mating of convenience." Two powerful wolf shifters, he and Kenzie keep the pack in order and are adored by all. Bowman would do anything to protect Kenzie, for in each other's arms they've found far more than friendship. But as strong as their attachment is, they still haven't formed the elusive mate bond—the almost magical joining of true mates. Now with a monster ravaging the countryside and threatening the Shifertown community, some in the pack fear that a pair without a true mate bond isn't strong enough to lead. Bowman and Kenzie will have to rely on their instinctive trust in one another to save their Shifters—and the ensuing battle will either destroy them or give them the chance to seize the love they've always craved.

Desire is released in these all-new stories by four masters of paranormal romance... New York Times bestselling author Angela Knight revisits the world of *Guardian* and genetically engineered Temporal Enforcers Dona and Alerio who combine their talents—and fight their passions—as they investigate a time-travel murder spree. USA Today bestselling author Jennifer Ashley continues her *Shifters Unbound* series as Bear Shifter Cormac is determined to take single mom Nell as his mate, despite her objections—until her sons are endangered and she desperately needs help. National bestselling author Jean Johnson returns to her *Vulland Chronicles*: On the run after being falsely accused of treason, ex-prince Kiereseth and his companion Vielle take refuge in a snow-bound cabin—and in each other's arms. And Hanna Martine expands on the fascinating world she introduced in *Liquid Lies*. After dissolving their arranged marriage so he can win her on his own terms, Ofarian guard David pairs up with the heartbroken Kelsey to try to thwart an enemy to their race.

Two hot *Shifters Unbound* novellas are in one volume—*Lone Wolf*, in which a wolf Shifter and self-proclaimed cowboy falls in love with a human woman taking refuge among them, and *Feral Heat*, in which a shifter, trying to free his kind from their Collars, finds his bond mate. By a New York Times best-selling author. Original.

In the latest *Shifters Unbound* novel, a man has resigned himself to a life half lived. But a beautiful, courageous woman has him longing for something more... Graham McNeil knows that his pack is unruly, but he's not sure he can take the next step toward Shifertown stability—choosing a new mate. After losing his mate and son long ago, Graham has worked hard to keep his heart in check. And even if he was inclined to bind himself again, his girlfriend, Misty, is human—a fact that won't sit well with Graham's old-fashioned wolves. But Graham is up against a new enemy, one who could spell danger and death to all of Shifertown. Graham must now defend his leadership and save Misty, the woman he has grown to love—before Shifertown is pulled into an all-out war.
