I'm Annabel. I'm the girl who has it all. Model looks, intelligence, a great social life. I'm one of the lucky ones. Aren't I? My 'best friend' Sophie is spreading rumours about me. My family is slowly falling apart. It's turning into a long, lonely summer, full of secrets and silence. But I've met this guy who won't let me hide away. He's one of those intense types, obsessed with music and totally unafraid of confrontation. He's determined to make me listen. Will I ever find the courage to tell him what really happened the night Sophie and I stopped being friends? Captivating, emotionally turbulent, unputdownable teenage fiction – the natural step up for older Cathy Cassidy fans.

Getting through to someone is a fine art, indeed, but a critical one nonetheless. Whether you are dealing with a harried colleague, a stressed-out client, or an insecure spouse, things will go from bad to worse if you can't break through emotional barricades and get your message thoroughly communicated and registered. Drawing on his experience as a psychiatrist, business consultant, and coach, author Mark Goulston shares simple but powerful techniques readers can use to break through the stubborn and hardened outer layers of coworkers, friends, strangers, or even enemies. Just Listen reveals how to: • Make a powerful and positive first impression • Listen effectively • Talk an angry or aggressive person away from an unproductive reaction and toward a more rational mindset • Achieve buy-in--the linchpin of all persuasion, negotiation, and sales • And more Whether you're dealing with an angry client, a potential customer, or even a friend or family member who isn't seeing eye to eye with you, your goal is most likely persuasion. And the first make-or-break step to getting there is having

them hear you out. The invaluable principles in Just Listen will get you through that first tough step with anyone.

In her eleventh novel, Sarah Dessen returns to the beach town of Colby, setting of some of her best-loved books. Emaline is a Colby native, and so summer at the beach for her means hard work and a new population of beach goers. During this, her last summer before college, Emaline meets Theo while working for her family's rental business. He's a city boy who's come to Colby as the assistant to a high-strung documentary filmmaker who's in town to profile a reclusive local artist. Emaline knows he's not her type, but she can't help feeling drawn to him. And as their relationship develops, Emaline finds herself questioning her own goals, values, and choices in this classic Dessen romance.

The short stories in this collection take the reader from small-town Wisconsin to the bustling streets of New York and Chicago and back again. While they range greatly in length and tone, they all share the trademark wit and affectionate insight of Edna Ferber. Showcasing the facility with words that made her a mainstay at the Algonquin round table, Ferber explores some of her favorite themes: the role of women (especially strong or unconventional women) in modern society, the mores of the midwestern small town, and the changes over time in relationships between parents and children. In "The Maternal Feminine," a plain, overlooked child grows into a strong, resourceful businesswoman and forms a strong motherly bond with the children of her more attractive sister. In "April 25th, As Usual," an aging Wisconsin couple reluctantly join their successful daughter in New York, where they try to adjust to a very different lifestyle. "Old Lady Mandle" is a bittersweet tale about an elderly Chicago mother coming to terms with the fact that she is no longer the most important woman in the life of her grown son. "One Hundred Per Cent" features Ferber's celebrated heroine Emma McChesney, now re-married, seeing her husband off to war. The stories gathered here are beautifully observed chronicles of early twentieth-century life and are filled with characters who, despite their very human foibles, are all bestowed by Ferber with warmth and dignity. "All these stories and all these pages are thronged with real men and women, and in them Miss Ferber continues to display not merely her skill at storytelling, but also her greater skill at breathing into them the breath of life." -- Boston Transcript

Perfect for fans of Morgan Matson and Jenny Han, this latest from YA contemporary queen Kasie West is an adorable rom-com loosely inspired by *Sleepless in Seattle*.

Longman's new Cultural Editions Series, *Hard Times*, by Charles Dickens, edited by Jeff Nunokawa, includes Books 1-3 of *Hard Times* and contextual materials on the age of Dickens.

A smart, funny take on the Charles Dickens classic *BLEAK HOUSE*—for anyone who's ever held on to a dream just a little too long. New York writer Ricki Carstone knows the odds of Hollywood actually turning her debut novel, *Jarndyce and Jarndyce*, into a movie are slim. But Moxie Bernard, the most famous teen on the planet, has signed on to star in the option. Plus, the producer is throwing her a super fabulous party in Hollywood (with Moxie!) to celebrate the relaunch of her book with a younger, sexier cover. Maybe it will happen after all. Quitting her dead-end paralegal job to move out to Los Angeles and keep an eye on the project, Ricki meets a handsome out-of-work actor who encourages her to try her hand at screenwriting, and
