Profiles of eighteen Hollywood stars from their early struggles to eventual successes.

Blood and victory. There is no other way. The “ fresh and fascinating magical world ” (School Library Journal) of The Imposter Queen expands in this companion novel that answers the question: who is the real queen of the Kupari? Ansa has always been a fighter. As a child, she fought the invaders who murdered her parents and snatched her as a raid prize. She fought for her place next to Thyra, the daughter of the Krigere Chieftain. She fought for her status as a warrior in her tribe: blood and victory are her way of life. But the day the Krigere cross the great lake and threaten the witch queen of the Kupari, everything changes. Cursed by the queen with fire and ice, Ansa is forced to fight against an invisible enemy—the dark magic that has embedded itself deep in her bones. The more she tries to hide it, the more dangerous it becomes. And with the Krigere numbers decimated and the tribe under threat from the traitorous brother of the dead Chieftain, Ansa is torn between her loyalty to the Krigere, her love for Thyra, and her own survival instincts. With her world in chaos and each side wanting to claim her for their own, only one thing is certain: unless Ansa can control the terrible magic inside her, everything she ’ s fought for will be destroyed.

A tutorial on the ancient practice of limpieas to heal the mind, body, and soul
• Offers step-by-step instructions for the practice of limpieas, shamanic cleansing rituals to heal, purify, and revitalize people as well as physical spaces
• Examines different types of limpia ceremonies, such as fire rites for transformation, water rites for cleansing and influencing, and sweeping rites for divination
• Explores the sacred stories behind limpia rituals and traces these curanderismo practices to their indigenous roots
Exploring the essential tools and practices of Mesoamerican shamans and curanderos, specifically the ancient Yukatek Maya and Mexica (Aztec), Erika Buenafior, M.A., J.D., provides a step-by-step guide for conducting the most common practice within curanderismo: limpieas. These practical and incredibly effective shamanic cleanses heal, purify, and revitalize people and spaces with herbs, flowers, eggs, feathers, fire, and water. They are also powerful tools for self-empowerment, spiritual growth, soul retrieval, rebirth, and gracefully opening up pathways for new beginnings. Drawing on her 20 years ’ experience as a curandera and her graduate studies focused on Mesoamerican shamanism, the author traces modern curanderismo practices to their indigenous roots. She explores the sacred stories behind limpia rituals and examines different types of limpia ceremonies in depth, such as fire rites for transformation, water rites for cleansing and influencing, and sweeping rites for divination. She outlines how limpieas work holistically to enable one to let go and cleanse the body, mind, and spirit of limiting beliefs, traumas, and broken stories; heal acute and chronic illnesses such as depression, insomnia, and anxiety; and revitalize and activate sacred spaces by renewing their essence and clearing negative energies. She explains the healing properties of the plants used in limpia rites and how to perform the medicinal chants used by the curanderos. In addition, the author details how the practice of platicas, heart-straightening talks, supports limpia rites by encouraging one to vocalize their needs as they eject traumas and unwanted energies from the body, setting the stage for self-awareness and healing. Sharing the story of her own complete healing from a catastrophic injury with limpieas as well as inspirational testimonies from others who have experienced limpieas, the author provides a personal and thoroughly practical guide to the ancient shamanic method of limpieas to promote healing and personal transformation in our times.

An enthralling biography about one of the most intriguing women of the Victorian age: the first self-invented international social celebrity. Lola Montez was one of the most celebrated and notorious women of the nineteenth century. A raven-haired Andalusian who performed her scandalous "Spider Dance" in the greatest performance halls across Europe, she dazzled and beguiled all who met her with her astonishing beauty, sexuality, and shocking disregard for propriety. But Lola was an impostor, a self-invention. Born Eliza Gilbert, the beautiful Irish wild child escaped a stifling marriage and reimagined herself as Lola the Sevillian flamenco dancer and noblewoman, choosing a life of adventure, fame, sex, and scandal rather than submitting to the strictures of her era. Lola cast her spell on the European aristocracy and the most famous intellectuals and artists of the time, including Alexandre Dumas, Franz Liszt, and George Sand, and became the obsession of King Ludwig I of Bavaria. She then set out for the New World, arriving in San Francisco at the height of the gold rush, where she lived like a pioneer and performed for rowdy miners before making her way to New York. There, her inevitable downfall was every bit as dramatic as her rise. Yet there was one final reinvention to come for the most defiant woman of the Victorian age--a woman known as a "savage beauty" who was idolized, romanticized, vilified, truly known by no one, and a century ahead of her time.

A romantic and thrilling historical adventure from the internationally bestselling author whose work Diana Gabaldon has called "Enthralling". Spain, 1748. Caridad is a recently freed Cuban slave wandering the streets of Seville. Her master is dead and she has nowhere to go. When, by chance, she meets Milagros Carmona—a spellbinding, rebellious gypsy—the two women become inseparable. Caridad is swept into an exotic fringe society full of romance and art, passion and dancing. But their way of life changes instantly when gypsies are declared outlaws by royal mandate and their world as a free people becomes perilous. The community is split up—some are imprisoned, some forced into hiding, all fearing for their lives. After a dangerous separation, Caridad and Milagros are reunited and join in the gypsies ’ struggle for sovereignty against the widespread oppression. It ’ s a treacherous battle that cannot, and will not, be easily won. From the bustle of Seville to the theatres of Madrid, The Barefoot Queen is an unforgettable historical fresco filled with characters that live, suffer, and fight for the lives of those they love, and for the freedom they can ’ t live without.

In this new and substantially revised edition of H. J. Rose’s classic survey and analysis of the evolution and tradition of Greek myth, Robin Hard adds various features which bring the work up-to-date with contemporary scholarship and address the needs of students.
* a new preface analysing and contextualising H. J. Rose’s attitude to myth
* a new chapter devoted to the epic and other poetic sources of the myths, narrative prose mythography and the various forms of rationalisation
* a new chapter examining the relationship between the different myths of Gods and heroes, with genealogical tables. Robin Hard shows how the myths of individual families and distinct locations hold together to form a coherent pseudo-historical pattern
* extensively revises and simplifies notes
* a new annotated bibliography. A Handbook of Greek Mythology presents a invaluable and user-friendly guide to the myths and legends of ancient Greece - their genesis, sources, development and significance.

Las actrices de la e poca dorada del cine toman el relevo a las Divas Rebeldes y Reinas Malditas de Cristina Morato . Las historias de estas cuatro grandes estrellas de cine nos trasladan a la e poca dorada de Hollywood. Teni an el mundo a sus pies, contaban con una legio n de admiradores y protagonizaron sonados romances con los galanes ma s atractivos. Verdaderas diosas a los ojos del pu blico, fueron las ma s deseadas y fotografiadas del mundo. La temperamental e indomable Ava Gardner, la deslumbrante sex symbol Rita Hayworth, la elegante y sensual Grace Kelly o la gran diva de los ojos violeta Elizabeth Taylor hicieron son ar a millones de espectadores. Ma s alla del lujo y el glamour, fueron mujeres de carne y hueso, vulnerables, tí midas e inseguras que solo deseaban ser amadas. Pero el amor les fue esquivo y sus vidas estuvieron marcadas por la soledad, los divorcios, las adicciones, los malos tratos y los desengan os. Todas pagaron un elevado precio por llegar a lo ma s alto. Cristina Morato nos descubre el lado ma s humano de estas inolvidables estrellas del siglo XX, protagonistas de una vida mucho ma s intensa y drama tica que la de cualquiera de los personajes que interpretaron en la gran pantalla. « En Hollywood, a las actrices nos trataban como si no tuvie ramos alma ». ENGLISH DESCRIPTION This book unveils the fascinating lives of the leading actresses from the golden age of cinema: Ava Gardner, Grace Kelly, Rita Hayworth and Elizabeth Taylor Indisputable stars in the history of cinema but relegated to a secondary role in their own lives. These pages examine the glamour, beauty, talent and fame of four unforgettable women, but they also reveal the other unofficial story of loneliness, abuse, romantic heartbreak and addictions, eclipsed by the glow of the spotlights under which they dazzled the world. These goddesses were fiercely human and they paid a high price to reach the top.Only in Spain, Cristina Morato ’ s books have sold more than 165.000 copies!

A tale inspired by one of history's most prolific female serial killers recreates her rebellion against her arranged marriage, her suffering at the hands of the man she loved and the descent into mental illness that prompted the murders of dozens of servants. By the PEN/Hemingway finalist author of Icebergs. Reprint. Includes reading-group guide.
