Bob Jones works from Leicester with office in Islington, London. He powerflushed our boiler and central heating system. His quote was £200 less than that of a rival. He was a pleasure to have in the house and the central heating is working much more efficiently than before. We were very pleased with his work. FLATCOAT12

Discover the business law and legal environment book you'll actually enjoy reading. Time after time, readers like you have commented that this is the most interesting introduction to law they've ever read. Beatty/Samuelson/Abril's BUSINESS LAW AND THE LEGAL ENVIRONMENT, STANDARD EDITION, 9E is packed with current examples and real scenarios that bring law to life, whether you are a business learner or practicing professional. This reader-friendly, thorough presentation uses conversational writing to explain complex topics in easy-to-understand language. The authors draw from their experience practicing law to offer real stories that illustrate how legal concepts apply to everyday business practice. This edition also emphasizes today's digital landscape with new information on privacy and intellectual property. An updated ethics chapter offers a practical approach, using the latest research to explain why people make unethical decisions. In addition, an in-depth discussion of executive compensation contrasts theory with everyday reality.
