Sweetheart: A Gretchen Lowell Novel 2 by Chelsea Cain ...

Sweetheart is the sequel to Cain's Heartsick, tying up some loose ends from the first book and connecting the story newspaper writer Susan Ward was pursuing (remember Molly Parker) with a double-suicide and murder investigation headed by Archie Sheridan and loosely connected to incarcerated serial-killer / femme fatale Gretchen Lowell. Sure, its not high literature, but it is a guilty pleasure - all the more so for the way Cain writes about Portland and the thinly veiled scandals and ...

Free download or read online Sweetheart pdf (ePUB) (Archie Sheridan & Gretchen Lowell Series) book. The first edition of the novel was published in 2008, and was written by Chelsea Cain. The book was published in multiple languages including English, consists of 325 pages and is available in Hardcover format. The main characters of this thriller, fiction story are Archie Sheridan, Susan Ward.

Meet Gretchen Lowell, the stunningly beautiful psychopath The Huffington Post called "the most diabolical female serial killer in fiction," and Archie Sheridan, the police detective whom she caught and tortured...and then let go. Here together for the first time in a fabulous eBook bundle are the first three thrillers in Chelsea Cain's New York Times bestselling Archie Sheridan and Gretchen Lowell series. HEARTSICK Archie Sheridan finally put Gretchen Lowell, the Beauty Killer, in prison, but he can't seem to forget her. Now, he realizes that

even behind bars, Gretchen might be the only person who can help him find the serial killer he's currently tracking. SWEETHEART When the body of a young woman is discovered in Portland's Forest Park, Archie can't focus on the new investigation because the Beauty Killer case has exploded again: Gretchen Lowell has escaped from prison. EVIL AT HEART Gretchen Lowell is still on the loose, and is developing her own bizarre kind of fan club. When Archie and Gretchen last spoke, he agreed not to kill himself if she agreed not to kill anyone else. But when a new body is found accompanied by Gretchen's trademark heart, all bets are off.

Damaged Portland detective Archie Sheridan spent ten years tracking Gretchen Lowell, a beautiful serial killer, but in the end she was the one who caught him. Two years ago, Gretchen kidnapped Archie and tortured him for ten days, but instead of killing him, she mysteriously decided to let him go. She turned herself in, and now Gretchen has been locked away for the rest of her life, while Archie is in a prison of another kind---addicted to pain pills, unable to return to his old life, powerless to get those ten horrific days off his mind. Archie's a different person, his estranged wife says, and he knows she's right. He continues to visit Gretchen in prison once a week, saying that only he can get her to confess as to the whereabouts of more of her victims, but even he knows the truth---he can't stay away. When another killer begins snatching teenage girls off the streets of Portland, Archie has to pull himself together enough to lead the new task force investigating the murders. A hungry young newspaper reporter, Susan Ward, begins profiling Archie and the investigation, which sparks a deadly game between Archie, Susan, the new killer, and even Gretchen. They need to catch a killer, and maybe somehow then Archie can free himself from Gretchen, once and for all. Either way, Heartsick makes for one of the most extraordinary suspense debuts in recent memory.

Nothing makes Portland detective Archie Sheridan happier than knowing that Gretchen Lowell—the serial killer whose stunning beauty is belied by the gruesome murders she's committed—is locked away in a psych ward. Archie can finally heal from the near-fatal physical and emotional wounds she's inflicted on him and start moving on with his life. To this end, Archie throws himself into the latest case to come across his desk: A cyclist has discovered a corpse in Mount Tabor Park on the eastern side of Portland. The man was gagged, skinned, and found hanging by his wrists from a tree. It's the work of a killer bold and clever enough to torture his victim for hours on a sunny summer morning in a big public park and yet leave no trace. And then Archie gets a message he can't ignore—Gretchen claims to have inside knowledge about this grisly murder. Archie finally agrees to visit Gretchen, because he can't risk losing his only lead in the case. At least, that's what he tells himself . . . but the ties between Archie and Gretchen have always been stronger, deeper, and more complex than he's willing to admit, even to himself. What game is she playing this time? And even more frightening, what long-hidden secrets from Gretchen's past have been dredged up that someone would kill to protect? At once terrifying and magnetic, "Beauty Killer" Gretchen Lowell returns with a vengeance in Kill You Twice, Chelsea Cain's latest razor-sharp psychological thriller.

Chelsea Cain's novels featuring Portland detective Archie Sheridan and serial killer Gretchen Lowell have captivated fans through two nail-biting entries, Heartsick and Sweetheart, both of them multiweek bestsellers in The New York Times, USA Today, and Publishers Weekly. Gretchen Lowell is still on the loose. These days, she's more of a cause célèbre than a feared killer, thanks to sensationalist news coverage that has made her a star. Her face graces magazine covers weekly and there have been sightings of her around the world. Most shocking of all, Portland Herald reporter Susan Ward has uncovered a bizarre kind of fan club, which celebrates the number of days she's been free. Archie Sheridan hunted her for a decade, and after his last ploy to catch her went spectacularly wrong, remains hospitalized months later. When they last spoke, they entered a détente of sorts---Archie agreed not to kill himself if she agreed not to kill anyone else. But when a new body is found accompanied by Gretchen's trademark heart, all bets are off and Archie is forced back into action. Has the Beauty Killer returned to her gruesome ways, or has the cult surrounding her created a whole new evil? Chelsea Cain continues to deliver heart-stopping thrills and chills in the latest entry in this dynamic bestselling series.

Detective Archie Sheridan just has to get through the next few days, then his birthday and Halloween will be over. But with escaped serial killer Gretchen Lowell on the loose, the investigation into the murder of a DEA agent demanding his attention, and journalist Susan Ward showing up at his apartment needing a favour, it's going to be a long weekend. Soon Archie finds himself crashing a masked ball on a private island owned by Jack Reynolds, a notorious local drug kingpin. By morning, Archie is back on pain killers, a guest is dead and Archie quickly realizes that little is what it seems. One thing is clear: Gretchen is back, and Archie's nemesis and sometimes lover has something special in mind for the birthday boy, something she's been planning for a long, long time. On Halloween Eve, with time running out, and the life of someone close to Archie on the line, Archie knows his only chance is to give Gretchen exactly what she wants. But Gretchen will prove more horrifying, and unpredictable, than Archie could ever imagine...

With Heartsick, Chelsea Cain took the crime world by storm, introducing two of the most compelling characters in decades: serial killer Gretchen Lowell and her obsessed pursuer Portland Detective Archie Sheridan. The book spent four weeks on the New York Times bestseller list and garnered rave reviews around the world. But the riveting story of Archie and Gretchen was left unfinished, and now Chelsea Cain picks up the tale again. When the body of a young woman is discovered in Portland's Forest Park, Archie is reminded of the last time they found a body there, more than a decade ago: it turned out to be the Beauty Killer's first victim, and Archie's first case. This body can't be one of Gretchen's—she's in prison—but after help from reporter Susan Ward uncovers the dead woman's identity, it turns into another big case. Trouble is, Archie can't focus on the new investigation because the Beauty Killer case has exploded: Gretchen Lowell has escaped from prison. Archie hadn't seen her in two months; he'd moved back in with his family and sworn off visiting her. Though it should feel like progress, he actually feels worse. The news of her escape spreads like wildfire, but secretly, he's relieved. He knows he's the only one who can catch her, and in fact, he has a plan to get out from under her thumb once and for all. Chelsea Cain has topped her own bestselling debut thriller with this unputdownable, unpredictable, edge-of-your-seat read.

Struggling to move past his traumatic encounters with serial killer Gretchen Lowell, Archie Sheridan investigates a murder involving a brutally tortured victim before he is contacted by Lowell, who claims to have inside information about the case. By the best-selling author of Heartsick. Reprint. 250,000 first printing.

"Kick Lannigan has taught herself to be dangerous. She can pick any lock, fire any weapon, throw any knife, and aim a punch at her opponent's trachea. She has also taught herself to be safe. So when enigmatic John Bishop shows up asking her to help him rescue missing kids, Kick has every reason to be wary. He appears to have access to limitless money, high-level contacts, and details of Kick's background long kept sealed by the court. Yet everything he tells her about himself seems to be a lie. Headstrong by nature, suspicious by circumstance, and a smart-ass by self-determination, Kick can't help but see the writing on the wall: together, she and Bishop could make an unstoppable team, willing to do whatever it takes -- legal or not -- to see justice served ... if they don't kill each other first. For Kick, whose interest in child abduction is deeply personal, it's a gamble worth taking."--Page 4 of cover.

Meet Gretchen Lowell, the stunningly beautiful psychopath The Huffington Post called "the most diabolical female serial killer in fiction," and Archie Sheridan, the police detective whom she caught and tortured...and then let go. Here together for the first time in a fabulous eBook bundle are books 4-6 in Chelsea Cain's New York Times bestselling Archie Sheridan and Gretchen Lowell series. THE NIGHT SEASON Heavy rains have flooded Portland's Willamette River, and several people have drowned in the rising waters. And then the medical examiner discovers that four of the drownings were actually murders. Portland has a new serial killer on its hands, and Archie and his task force have a new case. KILL YOU TWICE A corpse has been discovered in Mount Tabor Park in Portland, and Gretchen claims to have inside knowledge about the grisly murder. What game is she playing this time? And more frightening, what secrets from Gretchen's past would someone kill to protect? LET ME GO Undercover in an investigation, Archie attends a party thrown by a notorious local drug kingpin. By morning, Archie is back on pain killers, a guest is dead and Archie quickly realizes that only one thing is clear: Gretchen is back in his life.

Portland detective Archie Sheridan, the former head of the Beauty Killer Task Force, hunted Gretchen Lowell for years before she kidnapped him, tortured him, and then let him go. Now that she is behind bars, Archie is finally piecing his life back together. He's returned home to his ex-wife and their two children. But no matter how hard Archie tries, he just can't stop thinking about Gretchen... When the body of a young woman is discovered in Forest Park, Archie is reminded of the first corpse he discovered there a decade ago: it turned out to be the Beauty Killer's first victim, and Archie's first case. Then, the unthinkable happens: Gretchen escapes from prison, and once the news breaks, all of Portland goes on high alert...but secretly, Archie is relieved. He knows he's the only one who can capture Gretchen--and now he has a plan to get out from under her thumb once and for all. Even if it means becoming her last victim...
