This is a compilation that is a half century sitting in the dew. Aiyeko-oto is a dab hand on new canvas. The anthology has set three clear spheres of life, love and living. This is transparent in the easily readable ciphers of his versification. With the mastery of humanity he has portrayed its frailties, challenges and hopes in fifty poems, in five distinct movements. These compositions have reached deep down in the human soul and left the light for it to walk right even in darkness. With dramatics he weaves tone and effects that gravitates one's resolve and doubts often what we appear to already know. May be a good read, but no more than a mirror on the wall for each of us.

Many ancient legends in circulation, either through verbal story-telling, ancient script or paintings, have assisted the human race in understanding the complex world we live in, even if they have been embellished over the years. They have helped us form societies and have given people reason to live, they are the blocks that when linked together can help us find the answers we as a human race have been searching for. Myths and Legends gathers together the principal mythologies, legends and folklore of ancient and modern cultures and explores the relationship that they have with their people and with the major religions of the world. Contents : Creation; male and female relationships; natural disaster; survival; death and the afterlife. Principal myths and legends of the world: Greek, Roman, Celtic; pagan; Arthurian; Greenman, Norse, Voodoo; Caribbean folk heroes; giants, dragons and unicorns; Maori gods rangi and papa (sky and earth); dream-time of the indigenous Australians; Bon of Tibet; Chinese mythology; Native American tribal stories; mythology and religion: Christianity, Hinduism, Buddhism, Islam, Sikhism, Taoism.

MRS. BEAST is an enchantingly dark story about what became of the great fairy tale beauties after they said "I DO". The story begins with Beauty, who shortly after marrying the Prince realized she preferred her loving Beast to the vain and eccentric Prince. Leaving the comforts of the castle behind, she embarks on a quest to find Elora, the enchantress who changed the beast into a Prince, and convince her to change him back into the Beast. Her quest takes her through Grimm Land, a place where angst clings and spreads like lichen, and where she meets Snow White, Rapunzel, Sleeping Beauty and Cinderella and learns what became of them after they married their princes. Snow White lives in a commune deep in the woods with the Seven Dwarfs, their seven wives and many children. Rapunzel lives in the low end of Storyendburg and makes her living on the streets. Sleeping Beauty is an opium addict living in the Kingdom of Dreams, and Cinderella hides behind a veil refusing to accept the toll aging has taken. MRS. BEAST turns fairy tale beauty inside out and invites the reader to do the same in this delicious twist on these fairy tale classics.

Brand also created the popular fictional character of young medical intern Dr. James Kildare in a series of pulp fiction stories. Prolific in many genres he wrote historical novels, detective mysteries, pulp fiction stories and many more. His love for mythology was a constant source of inspiration for his fiction, and it has been speculated that these classical influences accounted in some part for his success as a popular writer.
