Raised by the Brothers of the Sixth Order, Vaelin Al Sorna, a Warrior of the Faith, must battle the Empire and even his own father in the first book of a new fantasy trilogy.

"In the thrilling conclusion to the bestselling Raven's Shadow trilogy, Vaelin Al Sorna must help his queen reclaim her Realm. Only his enemy has a dangerous new collaborator, one with powers darker than Vaelin has ever encountered. The Ally is there, but only ever as a shadow, unexplained catastrophe or murder committed at the behest of a dark and vengeful spirit. Sorting truth from myth is often a fruitless task. After fighting back from the brink of death, Queen Lyrna is determined to repel the invading Volarian army and regain the independence of the Unified Realm. Except, to accomplish her goals, she must do more than rally her loyal supporters. She must align herself with forces she once found repugnant -- those who possess the strange and varied gifts of the Dark -- and take the war to her enemy's doorstep. Victory rests on the shoulders of Vaelin Al Sorna, now named Battle Lord of the Realm. However, his path is riddled with difficulties. For the Volarians have a new weapon on their side, one that Vaelin must destroy if the Realm is to prevail: a mysterious Ally with the ability to grant unnaturally long life to his servants. And defeating one who cannot be killed is a nearly impossible challenge, especially when Vaelin's blood-song, the mystical power that has made him the epic fighter he is, has gone ominously silent."

VAELIN AL SORNA RETURNS Anthony Ryan's debut novel Blood Song—the first book of the Raven's Shadow series—took the fantasy world by storm. Now, he continues that saga with The Wolf's Call, which begins a thrilling new story of razor-sharp action and epic adventure. Peace never lasts. Vaelin Al Sorna is a living legend, his name known across the Realm. It was his leadership that overthrew empires, his blade that won hard-fought battles - and his sacrifice that defeated an evil more terrifying than anything the world had ever seen. He won titles aplenty, only to cast aside his earned glory for a quiet life in the Realm's northern reaches. Yet whispers have come from across the sea - rumours of an army called the Steel Horde, led by a man who believes himself a god. Vaelin has no wish to fight another war, but when he learns that Sherin, the woman he lost long ago, has fallen into the Horde's grasp, he resolves to confront this powerful new threat. To this end, Vaelin travels to the realms of the Merchant Kings, a land ruled by honor and intrigue. There, as the drums of war thunder across kingdoms riven by conflict, Vaelin learns a terrible truth: that there are some battles that even he may not be strong enough to win.

A matchless warrior is pitted against a near-God in the second epic installment of the Raven ' s Blade series. It has long been our lot in life, brother, to do what others can ' t. After a costly defeat by the Darkblade, Vaelin ' s forces are shattered, while the self-proclaimed immortal and his army continue their terrible march. But during the clash, Vaelin regained some of the dark magic that once gave him unrivaled skill in battle. And though the fight he has been drawn into seems near unwinnable, the song that drives him now desires the blood of his enemy above all else...
