The classic book that introduced the investment industry to the concept of trading psychology. With rare insight based on his firsthand commodity trading experience, author Mark Douglas demonstrates how the mental matters that allow us function effectively in society are often psychological barriers in trading. After examining how we develop losing attitudes, this book prepares you for a thorough "mental housecleaning" of deeply rooted thought processes. And then it shows the reader how to develop and apply attitudes and behaviors that transcend psychological obstacles and lead to success. The Disciplined Trader helps you join the elite few who have learned how to control their trading behavior (the few traders who consistently take the greatest percentage of profits out of the market) by developing a

Legendary traders like Jesse Livermore, George Soros, Richard Dennis, and Steven Cohen use their full range of powers that encompass both instinct and analysis.

That ' s how they made their fortunes – and that ' s how you can, too. In *Trading from Your Gut*, Curtis Faith, renowned trader and author of the global bestseller *Way of the Turtle*, reveals why human intuition is an amazingly powerful trading tool, capable of processing thousands of inputs almost instantaneously. Faith teaches you how to harness, sharpen, train, and trust your instincts and to trade smarter with your whole mind. Just as important, you ' ll learn when not to trust your gut – and how to complement your intuition with systematic analysis. You ' ve got a left brain: analytical and rational. You ' ve got a right brain: intuitive and holistic. Use them both to make better trades, and more money!
