If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indio authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible.

### Devon With Kids Full Color

This book showed me the way and now, during one school holiday I saved money on Disneyland and stayed at home visiting all the attractions with the kids. Great book, love it. Buy it if you're coming to Devon, you won't regret it. Another tip for tourists, please stay away from rural Devon such as Torrington and Merton.
