The power of erotic capital | National Post

Honey Money: The power of erotic capital is a book written by Dr Catherine Hakim, a sociologist at the London School of Economics. She takes the concept of sexual market value academically seriously, but instead using the term 'erotic capital'. She argues that women have more erotic capital than men because women desire sex less than men, and that both genders should take advantage of sexual sublimation.

Honey Money: The power of erotic capital (book) - Incel Wiki

In turn, the policy implications Hakim derives from her theory of erotic capital, along with the more general cultural notion that equates sexual desirability with power, are put in high relief.

‘Erotic capital’ and the power of desirability: Why ‘honey ...

Catherine Hakim's theory of erotic capital argues that erotic capital is an important fourth personal asset, alongside economic capital, cultural/human capital and social capital; that erotic capital is increasingly important in affluent modern societies; that women generally have more erotic capital than men, and that erotic capital has social benefits and privileges that benefit the female gender.

Erotic Capital: The Power of Attraction in the Boardroom ...

Ms Hakim contends that Bourdieu, in his important book "Male Domination" missed the fact that the power of erotic attraction exists, a power women are taught to wield from a very early age. Her position is well argued, but it fails to recognize the fact that aiming to please men as a form of capital is only a powerful asset as long as women are sexy and young, and that it is always dependent on the will of the men.

The economics of good looks - The line of beauty | Books ...

This theory added erotic as an additional form of capital to Pierre Bourdieu's concept of society being run by four main types of capita - cultural, social, symbolic, and economic. Hakim defined erotic capital as the concept that an individual's beauty, sexual attractiveness, enhanced social interaction, liveliness, social presentation, sexuality, and fertility can provide opportunities to advance in life.
