### Grade School Paper Games

Pen and paper games are perfect for two players and there are many two-player games out there. Very young children begin with Tic-Tac-Toe and move to more challenging games. Students become secretive proficient players when bored in class. Some of the following games provide a challenge to even the most sophisticated players. Tic-Tac-Toe

### 16 Best Pen and Paper Games for One, Two or Small Groups

Draw a grid on a piece of paper—a square filled with smaller squares. The number of squares can vary, depending on the attention span of your child. Down the left side, put some letters of the alphabet (for example, you could spell out a child's name: LISA). Across the top, write categories—for example, girls' names, boys' names, animals, colours, cars, places.

### 8 fun pencil and paper games for kids (+ printables ...

When it comes to finding the perfect educational board games for the elementary school crowd (1 st to 5 th grade) parents can find themselves in quite a pickle. Younger children may not have the patience for games that tax their little minds too extensively, while older children might find themselves unequivocally lured by the siren song of those blinking, blipping, blating video games.

### Play it Up! The Best Games for Grade School | Education.com

The simple game of tic tac toe is a two player game of Xs and Os. Play begins with nine spaces on a paper created by crossing two perpendicular sets of two parallel lines. One player begins (take turns being the first player) by placing an X in one square. The next player draws an O in another square.
