### Investing Is Likethe Movies Informative

When investing in film, you are investing in the production side of a movie. Adrian Lowcock, head of investing at AXA Wealth says you can think of it like a business: "The investment goes into the production process and gets used as the producers see fit and the demands of the film production require.

### How and why to invest in the film industry

While investing in a movie can be a calculated risk, the rewards are great when it pays off. This is one of the reasons why a growing number of people are looking to invest in movies. In fact, investing in films with the help of various crowdfunding platforms has been so successful that potential producers have begun securing finance and are actively producing movies via those investments.

### Invest in Movie Production | Why Invest in Movies, Film ...

Unfortunately, investing can be a lot like a good action movie, and it is important to remember that 2015 was just one scene, where the villains had some success, but it is not the whole story. While we have experienced 9%-10% returns from the stock market over time, we usually get something different.

### Investing and Action Movies - Rockbridge Investment

It is a really great movie that brings to life the failures of investment banks and institutions to even be able to understand the products they imaginatively create to try to make a profit. A roller coaster ride with a stellar cast, well worth the time invested.
