The nameplate should contain a model number and a serial number. The model number will identify the year and certain details of that motor. 1980-Present: Evinrude outboards from 1980 to the present use a model number that can help determine the year and features of the motor. See the model number code here. Pre-1980: Evinrude outboards prior to 1980 do not have a consistent model number code.
