This Very Short Introduction introduces readers to the key concepts of political philosophy: authority, democracy, freedom and its limits, justice, feminism, multiculturalism, and nationality. Accessibly written and assuming no previous knowledge of the subject, it encourages the reader to think clearly and critically about the leading political questions of our time.

### Political Philosophy: A Very Short Introduction: Miller ...

This book is a very good short introduction to political philosophy. It fully meets the requirement that "political philosophers...are bound to challenge many of the conventional beliefs held both by politicians and by the public at large...when political philosophers put forward their own ideas and proposals, these nearly always look strange and disturbing to those who are used to the conventional debate" (pp. 9-10).
