Fun FRIENDS guides the social and emotional development of children aged 4 to 7 using fun, play-based group activities. Fun FRIENDS nurtures the child's development by teaching them to engage resilience skills early on. This, in turn, encourages a smooth transition into school life for the child.

### Friends Resilience

The single most common factor for children who develop resilience is at least one stable and committed relationship with a supportive parent, caregiver, or other adult. These relationships provide the personalized responsiveness, scaffolding, and protection that buffer children from developmental disruption.
