You can search Google
Books for any book or
topic. In this case, let's
go with "Alice in
Wonderland" since it's
a well-known book, and
there's probably a free
eBook or two for this
title. The original work

is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.
