From My Newsletter Number 81: This review is on Tech World by B.V. Larson. This is the third book in The Undying Mercenaries Series I have read by this writer. James McGill's adventures continue in this story. James is back home in between missions. Things are looking up on the home front. His parents moved to a place in the

McGill is deployed on another alien world. His third interstellar tour is different in every way. Rather than meeting up with a primitive society, this time he's headed to an advanced world. Tau Ceti, better known as Tech World, is the central trading capital of Frontier 921. McGill figures he's lucked out.
