Bridge Sentences — Types and Examples | Examples

A writer uses a bridge statement, or bridge sentence, to link one idea to another and create a smooth transition between ideas. John Trimble explains in "Writing with Style: Conversations on the Art of Writing" that essays should maintain a steady flow by "bridging" ideas for the reader. Instead of starting each paragraph with a topic sentence, you can use a bridge sentence to show how the previous idea relates to the idea your article is about to introduce.

The Bridge (2006) - Plot Summary - IMDb

The Bridge, first published in 1930 by the Black Sun Press, is Hart Crane's first, and only, attempt at a long poem. (Its primary status as either an epic or a series of lyrical poems remains contested; recent criticism tends to read it as a hybrid, perhaps indicative of a new genre, the "modernist epic.") The Bridge was inspired by New York City's "poetry landmark", the Brooklyn Bridge.
