The Contract Man Alex King

Alex King is an MI6 operative. He is loyal and patriotic. As a school drop-out he ended up in prison and came to the notice of the intelligence service. An escape was arranged and a new identity established. A new life beckoned and he grasped it with both hands.

The Contract Man (Alex King #1) by A.P. Bateman

The Contract Man is a compelling read and very difficult to put down. The "hero" Alex King is much in the mould of Jason Bourne but with a more "believable" persona. The book races from Iraq to Indonesia at a fast pace with many twists and turns and, of course, the inevitable betrayals and politics thrown in for good measure. Highly recommended.
