IPE is a field that thrives on the process that Joseph Schumpeter called "creative destruction."

### What is International Political Economy?

The Centre for Global Political Economy at Sussex was launched in 2000 to fill an important gap in the theory and practice of International Political Economy. Based on the premise that the traditional distinctions between the economic and the political, the domestic and the international, the public and the private, the institutional and the everyday, create a wholly inadequate framework for analysing world structures and transformations, especially within an era of globalising forces and ...
