The Woman Who Borrowed Memories is the first extensive selection of Jansson's stories to appear in English. Many of the stories collected here are pure Jansson, touching on island solitude and the dangerous pull of the artistic impulse: in "The Squirrel" the equanimity of the only inhabitant of a remote island is thrown by a visitor, in "The Summer Child" an unlovable boy is marooned along with his lively host family, in "The Cartoonist" an artist takes over a comic strip that ...

The Moomins first appeared in 1945 and are still beloved all around the world. What fewer people know is that Jansson also wrote for adults. Recently New York Review Books reissued a book of Jansson's short stories, *The Woman Who Borrowed Memories*, cleanly and beautifully translated from the Swedish by Thomas Teal and Silvester Mazzarella.

What's curious as one moves deeper into *The Woman Who Borrowed Memories* is Jansson's more direct portrayal of individuals' psychologies in the face of uncertainty: that is, not filtered through their art or a third-person narrator. Several of the stories written in the first person illustrate with bald-faced honesty the way someone left to explore the unknown reaches of
