the menu and you can see the solution explorer opened at the right side of the Visual Studio IDE. If you navigate through the folders you will not see Menu folder (newly copied) listed in the project solution as shown below.

How to add existing folder or directory to Visual Studio ...

The solution explorer search is different than

Download File PDF Visual Studio

Solution Explorer
the regular search that

we are used to in

Visual Studio. The

normal search is a

“text search”. Solution

Explorer search is

based on your file

names, classes, and

methods, but not local

variables or plain text.

I'll show an example.
