Another reason people believe in weird things is because of their religious and divine backgrounds. This is particularly the case when individuals experience strange occurrences involving good fortune and whose explanation is difficult.

Why People Believe in Weird Things | SpeedyPaper.com

There was too much debunking of the deniers and creationists and not enough analysis of why people believe such things. I suppose the reasons why people believe nonsense is really limited to a few reasons, such as hope, fear, laziness, etc., that are applicable to a variety of situations. There's not a whole lot more that can be said about this.
